## Project Title: Joey Chestnut Website

[https://en.wikipedia.org/wiki/Joey_Chestnut](https://en.wikipedia.org/wiki/Joey_Chestnut)

This site will be built as one, long, scrolling page. The first page will be a very dynamic, image-centered shot of Joey. The site itself will be very image-heavy and dramatic.

1. **Tone Set -** Image of Joey Chestnut, his name, and his job title (world record hotdog eater)
2. **Career History -** This will feature his best moments in a timeline fashion
3. **Training**
4. **World Records**
5. **Sources -** A collection of Wikipedia and image sources
